

Central Jersey Orchid Society Newsletter

Aug 2021 Issue

Aug 2021 President's Message

I'm very excited to welcome everyone back for our first meeting of the new season. And, while I wish we could be back together in person, it is always great to share our passion for growing beautiful, and sometimes unusual, Orchids.

Last year, we averaged about 30 people in attendance during our monthly ZOOM meetings, and had 4 new members join CJOS. As your Board President, my resolution for the year is to connect with each of you, individually, and attract additional new members. Our membership is the lifeline of our organization - - bringing vibrancy to our CJOS discussions, while also adding revenues that allow us to plan for speakers, events, and more. If you know of anyone who might be interested, please invite them to our next meeting. With that said, please remember to pay your dues to Rachel Lemke (members will be sent an email with instructions). Dues must be paid in order to attend the Holiday Party in December.

Our speaker for this month is **Bill Thoms**. He will be speaking about the largest orchid genera, *Bulbophyllum*. We will hear and learn about many of the species and desirable hybrids, and their cultural requirements.

Our next ZOOM meeting is scheduled for September 1, 2021, at 7:00pm. The virtual meeting room is open at 6:45pm, for those that want to log onto ZOOM early to connect with one another and share you latest orchid blooms.

As always, I look forward to seeing you.

Be Well,
Jaymie Santiago

***Bulbophyllum* JM Guilloty 'A-doribil'**

The August Newsletter is a short one

I just wanted to put in a few pictures of an amazing plant. Next Month I will do a regular Newsletter with all the member plant's sent to my email (edsharkf@yahoo.com)

However, here is an amazing Vanda

Wow!!!!!! Joe Thomasa what a plant

Beside Joe you might recognizes the other person it's Sergey Skoropad Last June's speaker. This is one tall plant with some beautiful blooms.
